

Waterfall Junction

Riverbanks Botanical Garden's Waterfall Junction is a hidden gem, providing the perfect event space for a family night out or corporate reception. Giant tree houses, kid-sized playhouses, a sandpit to dig for dinosaur fossils, and a 25-foot cascading waterfall are just a few highlights of this 3-acre oasis. This unique, and exciting, venue pairs perfectly with our picnic or cocktail style menus. Waterfall Junction is available for private events one hour after the Zoo closes and includes cabana-style tables, chairs, set up, clean up, and an event supervisor.
